## RACIAL HARMONY DAY CELEBRATION

BY BMSS PUBLICITY

BMSS commemorated Racial Harmony day with a plethora of meaningful activities!

Invited speakers from the HDB kicked off the programme with a sharing on public housing. Students learnt about how it contributes to the building of active and bonded communities and participated in quizzes.

The day continued with E-games, board games and puzzle stations that happened at the HDB exhibition booths in the canteen. Here, students learnt about the importance of being a gracious neighbour. There were also tips on how to lead an eco-conscious lifestyle at home.

Our Parent Support Group spread messages of harmonious living and engaged students with fun activities. All in all, the day was an eventful and exciting time for students and staff.
