SECONDARY 1 ORIENTATION

BY BMSS PUBLICITY COMMITTEE

BMSS warmly welcomed her new Merahans into the family. During the Sec 1 Orientation programme students had the opportunity to build strong bonds and forge friendships with their new classmates through exciting activities designed by our senior Merahans and teachers.

Parents were served breakfast by their children during CCA Orientation Day while indulging in the performances by the NCC precision drill, Band and Modern Dancers. It culminated with the CCA open house where students and parents had the opportunity to visit the various CCA booths. We look forward to nurturing our new Merahans!
