STUDENTS' PLAY, LEARN, INTERACT

BY BMSS PUBLICITY

Wednesday mornings will never be dull anymore!

Every Wednesday morning students will have an opportunity to Play, Learn and Interact with their friends while participating in an activity of their choice!

With a wide range of activities such as guitar lessons, floorball, card games, chess and so on, there will definitely be something for everyone! Merahans also had the opportunity to challenge their teachers in some activities!

What a great way to start the day!

** With the recent COVID-19 outbreak and in the interest of student and staff safety, the school has temporarily modified this programme in the way it is carried out to ensure students do not gather in large groups and yet retain its objectives of allowing students to Play, Learn and Interact.*
