WELCOMING OUR SECONDARY ONE MERAHANS

BY BMSS PUBLICITY COMMITTEE

The Sec 1 Orientation programme warmly welcomed our new Merahans into the family. Students had the opportunity to build strong bonds and forge friendships with their new classmates through exciting activities designed by our senior Merahans and teachers.

"It was enjoyable and exciting!"
– Jeffe (1N1)

"I was excited because I made new friends and now I know the class better. The programme allowed me to learn new things such as respecting different points of view."
– Jun Hao (1E1)

During CCA Orientation, parents were treated to breakfast served by their children! They also enjoyed performances put up by the NCC Precision Drill squad, the Band and our Dancers.

We look forward to nurturing our new Merahans from strength to strength through their years with us!
